ONYX W

Great Opportunities Come in Small Packages

Introducing the all new Onyx-W ATM. The Onyx-W can be installed securely as a Wall Mount or on a Counter Top. You're installation options are only limited by your imagination

Featuring a high-resolution 10.1" LED screen and light-up touch function keys along with 2" receipt printer, the Onyx-W uses the same modules and software capabilities and functions found in existing Genmega ATMs.

Dispensing is handled via a 1,000-note removable cassette which is secured inside its own internal vault system which is available with electronic lock and various audit locks.
